

**SITE PLAN CHECKLIST – FENCES, RETAINING WALLS, CONCRETE SLABS  
INCLUDING DRIVEWAYS & SIDEWALKS**

Site Plans are required for City of Pasco Permit Applications for fences, retaining walls, concrete slabs including driveway additions & sidewalks.

**At minimum,** all of these items must be shown to be accepted for review and approval. Please note that further detail may be required as part of the review process.

- Property lines;
- Location & height of proposed fence(s) or retaining wall(s); proposed concrete with dimensions and setbacks
- Street address and names of adjoining streets;
- Location of sidewalks;
- Location of all utilities in the adjoining right of way and on the site. Utilities include water meter boxes, irrigation valves and fire hydrants.
